

DoD Safety & Health Update an OSD Perspective for DoD Industrial Hygiene Forum

LtCol Jonathan Thomas
Asst for Safety, Health & Fire
DUSD Installations and Environment
2 June 2009

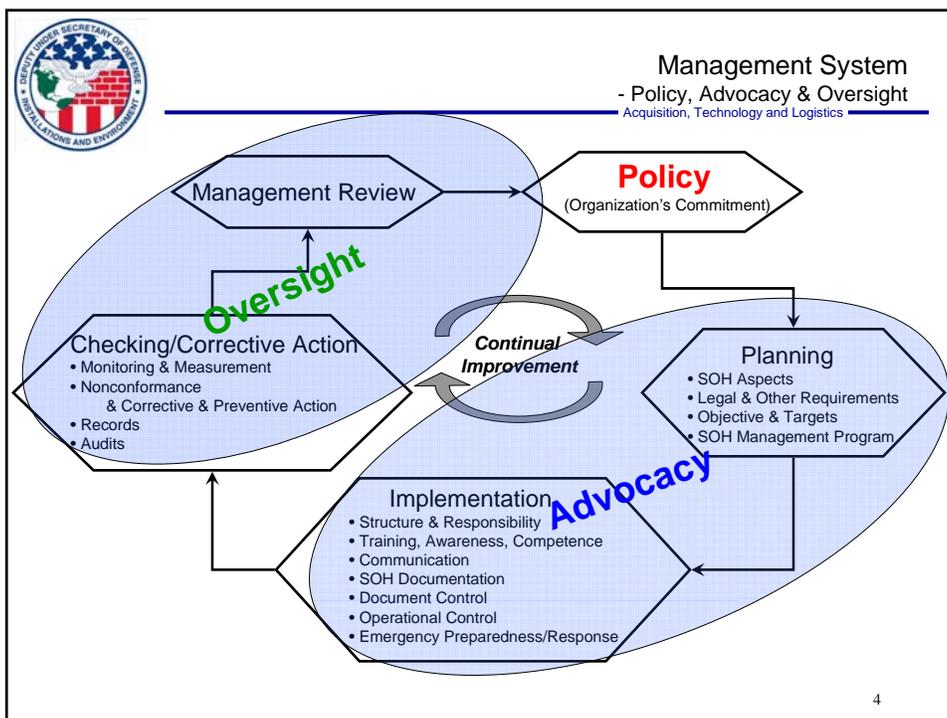

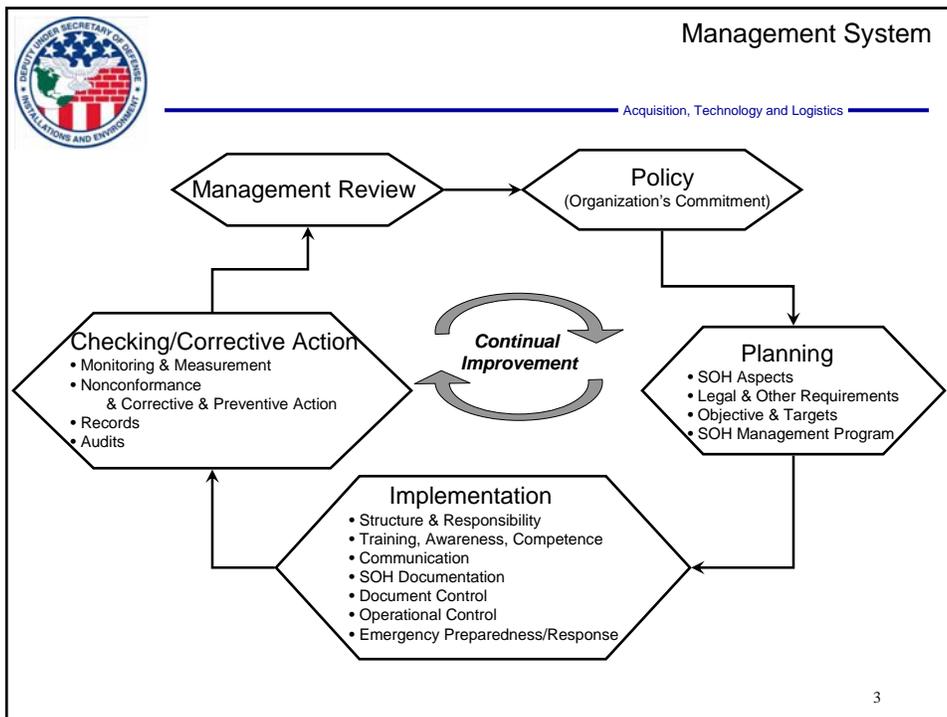

DoD Organization - A Simplified View

Acquisition, Technology and Logistics

Secretary of Defense

- **Inspector General**
- **Military Departments** (*Organize, Train & Equip*)
- **Office of the Secretary of Defense** (*Policy, Advocacy & Oversight*)
- **Joint Chiefs of Staff** (*Military Advice*)
- **Unified Combatant Commands** (*Execute the Mission*)
- **Defense Agencies & Defense Field Activities**
(*Perform Selected Consolidated Support and Service Functions*)

Policy (recently completed)

- DoDI 6055.05, Occupational and Environmental Health (Nov 2008)
- DoDI 5000.02, Operation of the Defense Acquisition System (Dec 2008)
- DoDI 6055.17, DoD Installation Emergency Management Program (Jan 2009)

Policy (in the pipeline)

- DoDI 6055.11, Electromagnetic Frequency Radiation
- DoDI 6055.08, DoD Occupational Radiation Protection Program
- DoDI 6055.12, DoD Hearing Conservation Program

Advocacy

- Safety, Health & Fire considerations in ESOH Technology investments
- POM10 and budget reviews
- Interagency actions (OSHA, VA, FEMA, DOT, EPA, NRC, FAA, DOE)

5

Oversight

- Defense Installations Strategic Plan Measures
- Annual In Progress Reviews of Safety and Occupational Health Programs
- Annual Report to OSHA (All DoD Components)

Outreach

- Safety and Occupational Health Work Groups
- Environmental Readiness and Safety Website
<https://www.denix.osd.mil/portal/page/portal/denix/shf>
- DoD IH Forum at AIHce
- SOH Forum at National Safety Congress

6

DoD SOH Work Groups

Acquisition, Technology and Logistics

- Industrial Hygiene (IHWG)
 - DoDI 6055.05 – Occupational and Environmental Health (OEH)
- Hearing Conservation (HCWG)
 - DoDI 6055.12 – DoD Hearing Conservation Program (HCP)
- Occupational Medicine (OMWG)
 - DoD 6055.05-M – Occupational Medical Examinations and Surveillance Manual
- Fire & Emergency Services (FESWG)
 - DoDI 6055.06 – DoD Fire and Emergency Services (F&ES) Program
- Ergonomics (EWG)
 - developing DoD 6055-ergo
- Hazardous Material Information Resource System (HMIRS)
 - DoDI 6050.05 – DoD Hazard Communication (HAZCOM) Program
- Laser System Safety (LSSWG)
 - DoDI 6055.15 – DoD Laser Protection Program
- DoD Transmitted Electromagnetic Frequency Radiation Protection (TERP)
 - DoDI 6055.11 - Exposure to Electromagnetic Fields

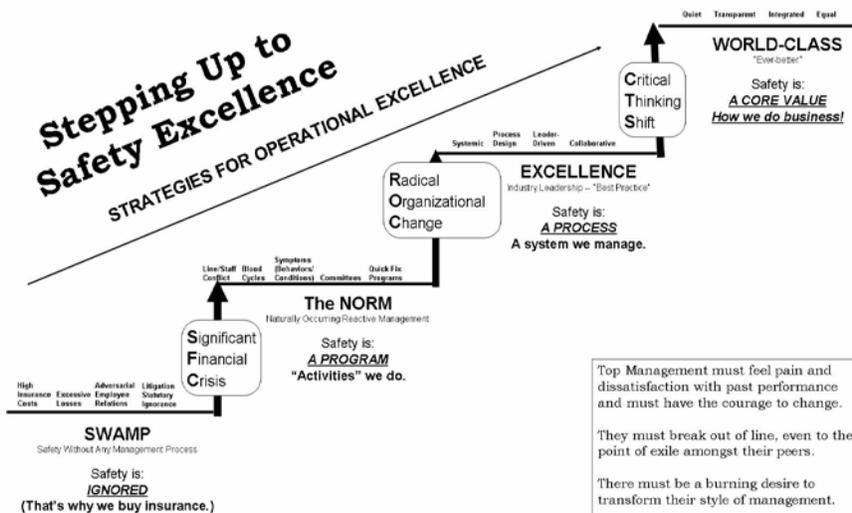

Vision for Continuous Improvement Safety and Health Maturity

Acquisition, Technology and Logistics

**Stepping Up to
Safety Excellence**

STRATEGIES FOR OPERATIONAL EXCELLENCE

Top Management must feel pain and dissatisfaction with past performance and must have the courage to change. They must break out of line, even to the point of exile amongst their peers. There must be a burning desire to transform their style of management.

-- W. Edwards Deming

Take Home Message

Acquisition, Technology and Logistics

- Implications of DoD Directives and Instructions
 - Protecting personnel, property and mission capabilities through
 - o informed risk decisions
 - o at the appropriate level of leadership
- Future of DoD occupational health
 - Integrated into acquisition
 - Management Systems
 - Safety Culture
